Soup Merchandisers

Turn your customers on to the idea of a hearty bowl of soup with these functional and inviting soup merchandisers. Stainless steel construction upholds an attractive appearance and ensures durability, while the heating element maintains an even holding temperature and prevents hot spots. Warmers have separate thermostats for better temperature control. Model numbers with a “P” following do not come with a back header. Custom graphics are available.

Standard Features:

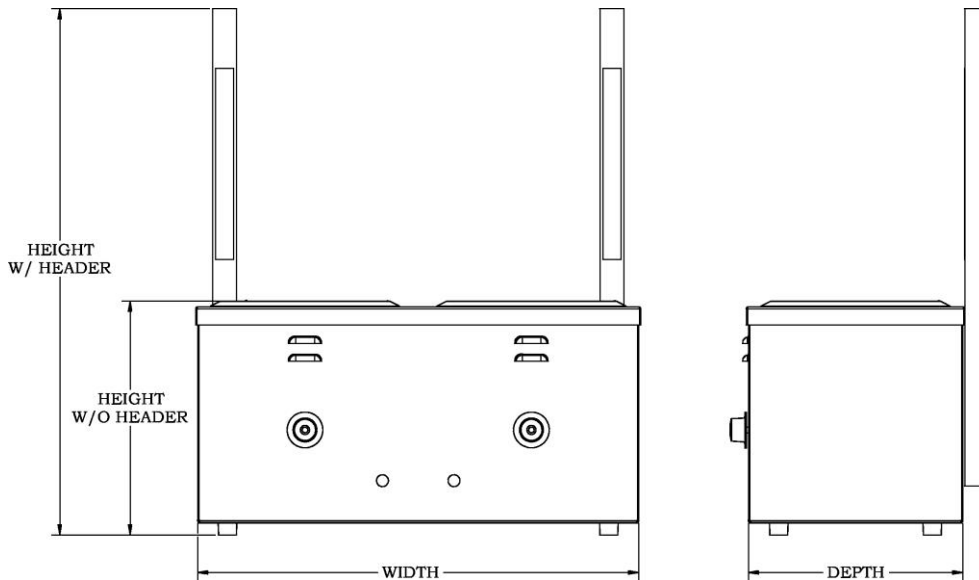

- Stainless steel well - 300 series
- Stainless steel exterior - 400 series
- Conduction type thermostat
- Band heater
- 16 minute preheat time
- Custom graphics available
- Six foot cord and plug provided
- One year parts and labor warranty

Accessories:

- 68393-4 inset, hinged cover & ladle (4 quart)
- 68393-7 inset, hinged cover & ladle (7 quart)
