

Curved Glass Bakery Case

PRODUCT HIGHLIGHTS

- American Made Tecumseh brand compressor provides perfect performance.
- Mechanically controlled Uniform Temperature
- Defrost Timer System
- Holds 38°F – 40°F
- Large Refrigerated Storage Compartment
- Self Evaporator System • No Plumbing Required
- Wolded Base Construction
- ETL UL Certified
- MEA City of New York Building Department Approved

CVK77 D	77X35X50	2	3	115	DRY	610

Additional Features:

- Excellent Cooling Performance, Over-sized Condenser & Evaporator Coil and slow running fan motors keeping food fresh.
- Our defrost timer system keeps cooling systems separate from the evaporator. It doesn't ice up or inhibit the compressor, giving the unit outstanding performance and a longer life even in the most difficult environments.
- Self-contained system, No plumbing required.
