Product design may vary without notice.

Side View

Crumb Collecting Tray

FEATURES

- 2-layer food display cabinet. Countertop model.
- Body frame made of aluminum.
- Comes with 2 S/Steel pans.
- Slanted design makes trays easier to slide for perfect view of items on display.
- 2-Glass Door opening at the back.
- Tempered glass front, sides and doors.
- One bulb included so the inside is brightly lit with clear visibility.
- The heat inside is generated by both the bulb and the built-in heating element.
- Temperature Range: up to 149°F
- Great for restaurants, canteens, snack bars, etc.

Shipped on a pallet via freight company (add 35-40 lbs to gross weight).
