

ELITE SERIES REFRIGERATION

SERVING THE FOOD INDUSTRY SINCE 1951

ELITE 14-INCH GLASS DOOR REFRIGERATION

Model: VR1.5 Item 45800

Ideal for promotions and new product launches.

KEY FEATURES

- PA refrigeration system**
 Ensures rapid and effective cabinet cool down and maintains consistent temperature range with minimum energy consumption.
- Electronic temperature controller**
 Assures the optimal performance of the cooler, delivering product temperature ideal for consumption.
- High efficiency glass door**
 Equipped with double panel glass and low-e film to reduce condensation. Door hinge is equipped with a self-closing system to ensure the door closes safely, and returns to original position, without any damages.
- LED lighting system**
 Our LED system uses a fraction of the energy of regular fluorescent lights and requires no replacement for up seven years.
- CFC and HFC free Cyclopentane foam**
 Eco-friendly, recyclable and high efficiency cabinet insulation.

Establishing a NEW STANDARD in the commercial refrigeration industry.
